DEPARTMENT OF THE INTERIOR

OFFICE OF INDIAN AFFAIRS  
RECEIVED  
NOV 30 1915

The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Answering Office card of November 24, 1915,

I have to say that the 1915 census of the school population went forward a few days ago.

I believe that the Office desires a census of the scattered bands of Mdewakanton Sioux Indians under my supervision, but it is impossible for me to give this census without making a canvas of the different localities. This was done by me in 1914 very thoroughly and the Office now has the same in its files. Were I to submit a census of these Indians at this time it would simply be a copy of the 1914 census, as I have no means of procuring new data concerning them.

I would suggest that this census be omitted say for a period of five years from the date of this first census, 1914, and then another thorough and complete census be made. In this way pretty accurate data concerning these Indians can be kept and it seems useless to increase the

files of the Office with replica of the true census,  
which replica would of course mean nothing.

Please advise in the premises.

Very respectfully,

*J. J. Mann*

Delinquent  
census, 1919.

DEPARTMENT OF THE INTERIOR  
UNITED STATES INDIAN SERVICE

Indian Training School,  
Pipestone, Minnesota,  
November 12, 1919.

The Commissioner of Indian Affairs,  
Washington, D. C.

My dear Sir:

I have the honor to acknowledge receipt of Office letter dated November 6th, calling upon me to furnish a census of the Indians under my jurisdiction on or before November 20th. I regret that I am unable to comply with the Office's request, for the following reason:

These Indians are scattered about over the southern half of Minnesota, living in groups in Scott, Goodhue, Wabasha, Dakota, Ramsey, Redwood and Yellow Medicine counties, mostly. None of these communities is nearer than seventy-five miles from Pipestone and some of them are more than 200 miles away. It is utterly impracticable for me to canvass this territory for the purpose of making a yearly census and I have been unable to get the information necessary to do so from the local authorities. The Indians themselves will not report births and deaths to me and I have found that the local authorities are not anxious to do so. Perhaps, by sufficient urging, correspondence and perhaps a substantial fee now and then I could get this information, but I have not time for this either.

The only thing that I can possibly do with the information at hand is to copy the census submitted in 1918, which in itself is merely a copy of former censuses and is incorrect. I am very much disinclined to perpetuate this farce as it can serve no good purpose and is labor lost that is much needed for other purposes at this time. I suggest, therefore, that the matter be held in abeyance until the general census is made in 1920, from which the data necessary may be obtained and compiled. Inasmuch as the law to which the Office refers applies apparently to superintendents in charge of reservations I am of the opinion that it would not apply to this jurisdiction, as this is not a reservation, and as practically all the Indians of it are citizen Indians. I should be glad to have this ruled upon. I await further instructions in the matter.

Very respectfully,

*J. J. Mann*  
Superintendent.

Census 1919

Nov 24 1919

Mr. Frank T. Mann,

Supt. Pipestone School.

My dear Mr. Mann:

Reference is made to your letter of November 12, 1919, regarding the impracticability of taking a census of the Indians under your jurisdiction, because of their being scattered over so large a part of southern Minnesota.

The Office notes your suggestion, "that the matter be held in abeyance until the general census of 1920 has been made, from which the necessary data may be obtained and compiled."

In view of these facts, you are advised that the taking of the census in question may be deferred for the present, provided that all practicable arrangements be made for obtaining a complete census next year.

Very truly yours,

11-DBP-17

Assistant Commissioner.

A H

Census 1919

NOV 20 1919

Mr. Frank T. Mann,

Supt. Pipestone School.

My dear Mr. Mann:

Reference is made to your letter of November 13, 1919, regarding the impracticability of taking a census of the Indians under your jurisdiction, because of their being scattered over so large a part of southern Minnesota.

The Office notes your suggestion, "that the matter be held in abeyance until the general census of 1920 has been made, from which the necessary data may be obtained and compiled."

In view of these facts, you are advised that the taking of the census in question may be deferred for the present, provided that all practicable arrangements be made for obtaining a complete census next year.

Very truly yours,

Assistant Commissioner.

Commissioner of Indian Affairs,  
Washington, D. C.

Dear Sir:

In connection with Circular 1873 (Annual Report and Census, 1923), I have to advise you that it would be next to impossible to submit a correct Census Report at this time, as what we could give at present would be no more than that submitted in 1919.

However, you are advised that Major McLaughlin is, at present, engaged in making an up-to-date roll of all Indians under this jurisdiction, and a census report covering same can be submitted upon the completion of his work.

Very respectfully,

JWP:EVW

Superintendent.

## INSTRUCTIONS

(A) A separate roll is to be made of each reservation; also, of each *rancheria* or reserve, and a separate roll of Indians allotted on the public domain or homesteading. The roll is to be based on enrollment and not on residence.

(B) Persons are to be listed by families alphabetically; that is, not only by the first letter of the surname, but also by the second and subsequent letters, when the first letter or letters are the same. For example: Abalon, Abbott, Abcon, Abend, Abiet; Ball, Bell, Boll, Bull; Carley, Carmen, Carlton, etc. Families having the same surname are also to be listed in this way, e. g.: Brown, Anson; Brown, Bill; Brown, Charles; Brown, David. In the case of English translations of Indian names, such as John *Flying-Elk*, Flying-Elk is the surname and is to be listed under F. In such cases the first word of the translated Indian name determines the alphabetical position. The best way to accomplish this will be to write the names of each family group on a separate card; then, arrange the cards alphabetically and type the names therefrom onto the census roll.

Members of a family are to be listed in the following order: Head, first; wife second; then children, whether sons or daughters, *in the order of their ages*; and lastly, all other relatives and persons living with the family who do not constitute another family group.

Annuity and per capita payment rolls are also to be prepared in the same manner.

(C) A family is composed of the following members:

1. Both parents and their unmarried children, if any, living with them; all other relatives and persons living with the family who do not constitute another family group.
2. Either parent and the unmarried children, if the other parent is dead; all other relatives and persons living with the family who do not constitute another family group.
3. A single person over 21 years of age, not living with a relative.

(D) For each person the following information is to be furnished:

1. NUMBER.—A number is to be assigned in serial order. Thus, the first person listed is to be numbered as "1," the second, as "2," and so on until the census is completed.
2. NAME.—If there are both an Indian and an English name, the allotment or annuity roll name is to be given. First, the last or surname; then, the given name in full. Ditto marks are to be used under the surname of the head for the surnames of the other members of *one* family.
3. SEX.—"M," for male; "F," for female.
4. AGE AT LAST BIRTHDAY.—Age in completed years at last birthday is to be shown. For infants under 1 year, age in completed months, expressed as twelfths of a year. Thus, 3 months as  $\frac{3}{12}$  yr.
5. TRIBE.—Care is to be taken that tribe, not band or local name, is given. Thus, Ute tribe, not Pahvant, which is a band of Ute. Likewise, Hupa tribe, not Bear River, which is a local name for the members of the Hupa tribe living near Bear River.
6. DEGREE OF BLOOD.—"F," for full blood; " $\frac{1}{4}$  +," for one-fourth or more Indian blood; " $\frac{1}{4}$  -," for less than one-fourth Indian blood.
7. MARITAL STATUS.—"S," for a single or unmarried person; "M," for a married person; and "Wd," for widowed of either sex.
8. RELATIONSHIP TO HEAD OF FAMILY.—The head, whether husband or father, widow or unmarried person of either sex, is to be designated as such. For the other members, the appropriate term which designates the particular relationship the person bears to the head is to be used.
9. RESIDENCE.—
  - (a) At *jurisdiction* where enrolled: Yes or no. The term jurisdiction includes all reservations and public domain allotments under the agency.
  - (b) Or at another jurisdiction. The name of the jurisdiction is to be given.
  - (c) Or elsewhere:
    1. Post office: Both the proper name of the post office and the class by which it is known (city, town, village, etc.) are to be given. Thus, Lewiston, city.
    2. County.
    3. State.
10. WARD.—Yes or no. Wardship depends primarily upon the ownership of individual property held in trust or upon membership in a tribe living on a Federal reservation. See Circular 2145.
11. ALLOTMENT, ANNUITY, AND IDENTIFICATION NUMBERS.—"Al," for allotment; "An," for annuity; and "Id," for identification, before the appropriate number or numbers. All numbers are to be shown.

(E) Rolls not prepared in strict conformity with the above instructions will be returned for correction.
